

2024 Regional EMS Symposium

November 8-10, 2024

Rappahannock Community College
Glenns, VA

Register Today!

This exciting and educational 3-day event will bring together emergency medical service professionals from across the Rappahannock region and provide 21 hours of EMS Continuing Education units.

Whether you're a seasoned veteran or just starting in the field, this symposium is the perfect opportunity to expand your knowledge and network with fellow EMS professionals.

Course offerings include:

- VA OEMS EMS Officer I
- MCI I & II
- and more!
